Dear Mr Ma

Re: Credit Articulation Arrangements with Griffith University

I am pleased to advise the approved new credit articulation arrangements as below:

- 80CP credit transfer awarded for the completion of the Diploma of Business (BSB50120) towards the Bachelor of Business 1632 or Bachelor of International Tourism and Hotel Management 1408.

These arrangements will remain current whilst both Get Education and Griffith University offer the above programs. If there are significant changes to either institution's program, the articulation arrangements will need to be reviewed at time of the major change to ensure currency of the arrangements.

Full details of these arrangements are listed in the University's Credit Precedent Database located at griffith.edu.au/credit via a search of Get Education. Information about programs offered by Griffith University, including admission requirements and how to apply, is available from degrees.griffith.edu.au

Griffith University looks forward to hosting your graduates who may wish to extend their studies at Griffith University.

Yours sincerely,

Siobhan Richardson
