MEET THE DIRECTOR OF STUDIES

Introduction

HELLO! I AM ALEXANDRA MINITSIOS, THE DIRECTOR OF STUDIES AT SEA ENGLISH ACADEMY.

About Me

Hello, my name is Alexandra, but people usually call me Sandra. I am the Director of Studies at SEA English and I look forward to getting to know you and to building a great relationship that will lead us to a prospective future. Well, a bit about me. I have been in the teaching industry for more than 20 years and it has been my passion. I strive to help students learn, become more efficient with the language and to overcome barriers. I have worked in Europe for about 12 years teaching both adults and children to love the English language like I do. I started off as a young teacher with the ambition to change student's lives and I am positive I have accomplished that by meeting some wonderful and interesting people along my journey. From teaching ESL, EAL and Elicos to IELTS and many more. Having been raised in Melbourne it was logic to return to the place I got my knowledge from. After hard work I was appointed Academic Manager which gave me a new perspective. I was a student's go to person, and I loved that. Now, as your Director of Studies at SEA English, I want you to feel comfortable to approach me with your needs and together we can accomplish many things.
