These include tactics such as door-to-door sales and telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty. It must be noted that our Institute does not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period is not applicable to our students who have enrolled in a course. Students are required to attend the orientation session. Our Vocational Course's Orientation session is usually held on the Thursday prior to the course commencement date and starts at 9.00 am.

ATTENDANCE, TRAINING AND ASSESSMENT AND COMPETENCY EXPECTATIONS

The duration of each of your courses is set out on the 1st page of the letter of offer. The 20 training hours include 15 hours of face-to-face study and 5 hours of online self-paced study. Face-to-face study will be conducted on campus, 187-189 Thomas St, Sydney NSW 2000. The 20 training hours are recorded and monitored by Abbey College Australia to assess students' attendance.

The timetable for the corresponding course will be given on the orientation day. Students must participate in scheduled classes in accordance with course timetables to maintain satisfactory course progress at all times, and if they do not satisfactorily progress in their course, they will be in breach of Student Visa Conditions. Students are expected to attend classes regularly to maintain satisfactory (50%) course progress and satisfactory (80%) attendance each term. Abbey College Australia may adjust/shorten the duration of the course of an overseas student if that student already has the skills and knowledge to complete the assessment without attending training.

- **Attendance policy:** attendance is recorded and monitored weekly. Students must maintain a weekly attendance of 80%. Your enrolment in a full-time registered course, which is a course with a minimum of 20 scheduled course contact hours, is a visa condition for overseas students.
- **Academic policy:** to level up in General English, you must complete at least 70% of your course with a grade no lower than 50% on each assessment OR receive a recommendation from your teacher confirming your eligibility for class promotion. And maintain a minimum of 80% attendance during that study period.

ASQA may, at any time, require a training provider to implement policies and procedures to monitor minimum attendance requirements and if students don't meet these requirements, they will be in breach of Student Visa Conditions. The Department of Home Affairs may cancel a student's visa if they fail to maintain their enrolment.

COMPLAINTS AND APPEALS POLICY

Students have access to the Complaints and Appeals procedure if they feel they have been unjustly treated or have a serious complaint. Students who have any type of complaint should first contact the Administration Manager to address the problem formally to seek a solution. If necessary, the complaint will be referred to the Principal Executive Officer in order to resolve the situation. A student dissatisfied with an activity or a decision regarding their academic outcomes can voice their concerns to the staff member concerned and, if appropriate, appeal to the Principal Executive Officer; If students are still dissatisfied with the outcome of the complaint/grievance/appeal then students may lodge an external appeal or complain about the decision with the Overseas Students Ombudsman. The Overseas Students Ombudsman offers a free and independent service for overseas students who have a complaint or want to lodge an external appeal about a decision made by their private education or training provider. See the Overseas Students Ombudsman website: [https:// www.ombudsman.gov.au/](https://www.ombudsman.gov.au/) or phone 1300 362 072 for more information.

If the overseas student is not successful in the registered provider's internal complaints handling and appeals process, the registered provider must advise the overseas student within 10 working days of concluding the internal review of the overseas student's right to access an external complaints handling and appeals process at minimal or no cost. The registered provider must give the overseas student the contact details of the appropriate complaints handling and external appeals body.

If the internal or any external complaints handling or appeal process results in a decision or recommendation in favor of the overseas student, the registered provider must immediately implement the decision or recommendation and/or take the preventive or corrective action required by the decision, and advise the overseas student of that action.
