02

Diverse Student Community

Join a diverse and inclusive community of learners, creating a rich environment for cultural exchange.

03

Career Advancement

Improving your English skills can open doors to better career opportunities and higher education options.

04

Great Location & Facilities

Located in heart of CBD in Haymarket, spacious classrooms and a student common area provides a conducive atmosphere for learning.

Grow your English while making friends from all over the world

Our students and staff come from different cultural backgrounds and are encouraged to welcome and embrace the diversity at our school. Meeting students' expectation is our top priority at ECC. Therefore, we take pride in delivering the best experiences to you.

Events and Activities

There are loads of events which are held right in ECC' campus to ignite your enthusiasm. ECC will let you know what activities are on campus.

Stay Connected

At all of our schools, you'll be welcomed into a connected community of friends, teachers, and more who will make your life-changing living and learning experience unforgettable.

Regular excursions

ECC holds monthly events and organises regular and frequent excursions for students to mingle and socialise so that they can practice the language outside the classroom.

As part of your English learning, you will have:

- Optional weekly 'outdoor and explore' activities on Fridays
- Regular monthly excursions to a range of popular locations in the Sydney area
- Optional evening social activities including movie night, food night and games night.

General English

Our course is designed to cater to students with a range of English language abilities. Whether you are looking to fine-tune your skills or take them to the next level, we have you covered.

Our dedicated team of experienced instructors is committed to helping you achieve your language learning goals. They provide personalised attention and guidance to ensure your success.

Engage in interactive learning activities, group discussions, and practical exercises to apply your newfound language skills in real-life situations.

Our curriculum covers all aspects of the English language, including speaking, listening, reading, and writing. You'll also explore grammar, vocabulary, and cultural nuances.

*"Believe in yourself,
and let us help you reach your goals."*

English for Academic Purposes

The EAP program is designed for students who want to improve their English language skills to excel in academic settings, including university, TAFE, or vocational training.

Focuses on building core skills like academic writing, critical reading, listening to lectures, and effective communication, all tailored to the needs of higher education.

The course is designed to prepare students specifically for university or vocational study, providing them with the language tools needed to succeed in academic environments, such as research, presentations, and essay writing.

Emphasizes not only language proficiency but also understanding the academic culture and expectations in English-speaking countries, helping students adapt and thrive in their studies.

"Take the first step towards academic success today!"
