 (PRISMS).
- A student who has not demonstrated satisfactory course progress for two consecutive study periods, is not meeting SIBN's course progression

SIBN Written Agreement (International Student)

The above is provider default and the following refund conditions apply:

Circumstance	Refund due

	Fees
SIBN cancels course following commencement (including closure of the RTO)	Full refund of all unspent fees calculated as follows:

	Weekly tuition fee multiplied by the weeks in the default period (calculated
	from the date of default).

There

are three steps involved in Calculating the amount of refund owed to a student:

B11. Tuition Protection Service

- The Tuition Protection Service (TPS) is an initiative of the Australian Government to assist international students whose education providers are unable to fully deliver their course of study. The TPS ensures that international students are able to either:
 - \circ complete their studies in another course or with another education provider or
 - o receive a refund of their unspent tuition fees.
- In the unlikely event SIBN is unable to deliver a course where fees have been paid in advance and it does not meet its obligations to either offer the

 finding an alternative course or offer a refund if a suitable alternative is not found.

B12. Discipline and expulsion

• SIBN reserves the right to expel students for serious breaches of discipline following appropriate disciplinary procedures. Refunds are subject to the refund policy. Department of Home Affairs will be notified.

B13. Student Responsibilities

- It is the responsibility of the student to remain aware of and abide by the conditions of their visa relating to their course of study.
- The student is responsible for keeping a copy of this signed <u>International Student Written Agreement</u> and any receipts received from SIBN for any payments of tuition fees or non-tuition fees.

B14. Changes to Terms and Conditions

• SIBN reserves the right to change its fees, conditions, course commencement dates and course structure. Changes of tuition fees will not apply to students who have paid and or already commenced their course. If a course length is extended by the student, then any fee increases will be required to be paid for the extended component of the course.

B15. Complaints and Appeals Processes

- SIBN is committed to providing a fair complaints and appeals process. It is our aim to resolve any concerns or issues fairly, transparently, professionally, and confidentially and as soon as practicable.
- A student may have a complaint regarding their dealings with SIBN, other students, its' education agents, or any related party SIBN has an arrangement with to deliver the course or related services.
- SIBN recognises that in some instances a student may not agree with certain decisions, including an assessment decision, made in relation to various academic or administrative matters. Students have the right to appeal the decisions.
- SIBN encourages students to seek to address any compliant or appeal they may have informally by speaking to their trainer, Student Services
 Officer, or Academic Manager, as appropriate. However, should the matter be unresolved there is a formal process in place. An outline of the formal
 process is as follows.

Complaint handling procedure

- A full copy of SIBN's Complaints and Appeals Policy and Procedure, the Student Complaints Form, and the Request to Appeal a Decision Form may be downloaded from the Policies, Forms and Resources tab on the website. The complaints policy must be publicly available.
- A complaint may be received in any form (written, verbal) although persons seeking to make a complaint are recommended to complete the complaint form which is available to them on the website. There is no time limitation on a person who is seeking to make a complaint. A person who makes a complaint must be provided a written acknowledgement as soon as possible and not later than 3 working day from the time the complaint is received. This acknowledgement is intended to provide the complainant assurance that SIBN had received the complaint and will review the relevant issues and provide a response as soon as practicable. The acknowledgement must inform the complaint that they will receive a written response within 14 days and explain the complaint handling process and the person's rights and obligations.
- A written record of all complaints is to be kept by SIBN including all details of lodgement, response, and resolution. The complaints register within the Student Management System is to be used to record the details of the complaint and to maintain a chronological journal of events during the complaint handling process. Records relating to complaint handling must be stored securely to prevent access to unauthorised personnel.

Where SIBN Chief Executive Officer considers that more than 60 calendar days are required to process and finalise the complaint, the CEO must inform the complainant in writing, including reasons why more than 60 calendar days are required. As a benchmark, SIBN should attempt to resolve complaints as soon as possible. A timeframe to resolve a complaint within thirty (30) calendar days is considered acceptable and in the best interest of SIBN and the complainant. A complainant should also be provided with regular updates to inform them of the progress of the complaint handling. Updates should be provided to the complainant at a minimum of two (2) weekly or fourteen (14) day intervals.

This means that the complainant is entitled to be heard with access to all relevant information and with the right of reply. The complainant is entitled to have their complaint heard by a person that is without bias and may not be affected by the decision. Finally, the decision must be made based on logical evidence and the decision-maker must take account of relevant considerations, must act for a proper purpose, and must not take into account irrelevant considerations.

Review by an independent person

Where the person making a complaint or an appeal is not satisfied with the handling of the matter by SIBN, they have the opportunity for a body or person that is independent of SIBN to review their complaint following the internal completion of complaint handling process. Before a person seeks a review by an independent third party, they are requested to first allow SIBN to fully consider the nature of the complaint and to respond to the person in writing. If after this has occurred, the person is not satisfied with the outcome, they have the right then seek a review by an independent third party. To request a review by an independent third party, the complainant should inform the Administration Officer of their request who will initiate the process with the Chief Executive Officer.
