SEA English Academy

Welcome to SEA English Academy!

Founded in 2001 in Manly, New South Wales, SEA English Academy has over 20 years of experience in English language education. Over the years, we have welcomed thousands of international students from more than 30 countries, helping learners gain confidence and competence in English.

SEA is a family-run boutique language school, renowned for its small classes and personalised attention. Every student receives dedicated learning support and enjoys rich opportunities for cross-cultural exchange.

Now located in the heart of Melbourne CBD, just steps from Melbourne QV and Melbourne Central train station, SEA offers a safe, convenient, and vibrant environment, making it the perfect base for learning English and experiencing life in Australia.

At SEA, you can participate in high-quality English courses, including General English and Academic English, while also benefiting from extracurricular activities, cultural experiences, and career support services—such as resume and interview guidance and employment assistance—to develop both language skills and life skills. Our experienced and passionate teachers are committed to guiding you throughout your learning journey in Australia.

Whether you are here for further study, career development, or improving everyday English, SEA English Academy warmly welcomes you to join us for an enriching, enjoyable, and unforgettable language learning adventure!

At SEA English Academy, students can choose courses to suit their goals.

General English improves everyday communication skills—listening, speaking, reading, and writing—for life, work, and socialising in Australia, while English for Academic Purposes (EAP) develops academic skills in writing, reading, listening, and speaking to prepare for university or vocational study.

For students aiming to take international exams, our PTE Academic Preparation (online) provides targeted training to boost scores for higher education or professional applications. Beyond the classroom, students can enjoy excursions, coffee culture workshops, sports, and social events, practising English in a relaxed setting while exploring Australian culture and making friends. This combination of learning and activities helps students rapidly improve their English, prepare for future study or work, and confidently adapt to life in Australia.
